## PTA Meeting Minutes 11/22/17

## Words from Ms. Hsu and Mr. Shevell

International Pot Luck Thanksgiving was a great event. Thank you to the Community Building Team and all volunteers.

Strict rules and guidelines from the DOE went out to all teachers regarding gift giving and the holidays. Teachers cannot accept personal gifts more than ones of sentimental value such as cards or home-made student presents. It is a conflict of interest. In addition, the only class gift should be the one given with class fund collected by class parents.

In December, a 2nd soft lockdown drill will be held. A notice will go home prior regarding details with date (not time).

Parent/teacher conferences went smoothly. If you missed it, please contact your teachers to set up a separate meeting date. This also includes specialty teachers.

We will be having our first chess tournament of the year on Sunday 12/3 at PS 116. All info is on our website. All kids can sign up and it is open city-wide. Proceeds benefit our chess team/ club.

Grades PK - 2nd will receive gifted testing confirmations by first week of December and will be notified of exact exam dates before the Christmas break.

Kindergarten Intake registration will be starting soon - deadlines have moved up.
